

Tips for Navigating the New hap.org

We recently launched the newly redesigned **hap.org** to help you find what you need faster and easier. Here are a few tips for easy navigation.

1. You can quickly get to the provider portal by clicking “Log in” at the top of the home page.
2. We’ve also made it easy to get to frequently used tools and forms without logging in. Click “Menu” on the homepage then “Provider.” This will take you to the main provider webpage. Click “Provider resources” and you’ll see a list of forms, guidelines and other information.

The new **hap.org** also makes it easier for members and prospective members to choose and use their plans. Here are a few highlights:

- **One site fits all.** We combined **chooseHAP.org** and **hap.org**. All of the information members and prospective members need is now on one website.
- **Easy navigation.** The new **hap.org** makes it easier and faster for members to find what they need.
- **Pick a screen, any screen.** Mobile-friendly design lets users view the site on any device – laptop, tablet or smartphone.
- **Recipes for a healthier life.** Our new site, features delicious healthy recipes, exercise tips, inspiring personal stories and information to help members make the most of all that HAP has to offer.
- **Perks at their fingertips.** With a single click, members can connect to discounts, classes, wellness events and more.
- **Enhanced plan finder.** Whether a small business owner is looking for a health plan or an individual is shopping for a Medicare plan, our newly enhanced plan finder guides them to the perfect fit.
